COMMITTEE FOR PURCHASE OF PRODUCTS AND SERVICES OF THE BLIND AND OTHER SEVERELY HANDICAPPED

PROCUREMENT LIST 1974

Notice of Establishment

The Committee for Purchase of Products and Services of the Blind and Other Severely Handicapped was established by Pub. L. 92-28, June 23, 1971 (85 Stat. 77 (41 U.S.C. 46-48)) (hereinafter the Act) for the purpose of directing the procurement of selected commodities and services by the Federal Government to qualified workshops serving blind and other severely handicapped individuals with the objective of increasing the employment opportunities for these individuals. The Committee is required to establish and publish in the FEDERAL REGISTER a procurement list of:

(1) Commodities produced by any qualified nonprofit agency for the blind or by any qualified nonprofit agency for other severely handicapped, and

(2) The services provided by any such agency which the Committee determines are suitable for procurement by the Government pursuant to the Act.

The Act further provides that any entity of the Government which intends to procure any commodity or service on the procurement list, shall procure such commodity or service, at the price established by the Committee, from a qualified nonprofit agency for the blind or such agency for the other severely handicapped if the commodity or service is available within the normal period required by that Government entity. However, this requirement shall not apply to the procurement of any commodity which is available from Federal Prison Industries, Inc.

A Government entity is defined as any entity of the legislative branch or judicial branch, any executive agency or military department (as such agency and department are respectively defined by sections 102 and 105 of title 5, United States Code), the U.S. Postal Service, and any nonappropriated fund instrumentality under the jurisdiction of the Armed Forces.

Notice is hereby given pursuant to section 2 of the Act that Procurement List 1974 is established as set forth below. Procurement List 1974 supersedes Procurement List 1973, March 12, 1973 (38 FR 6742) and subsequent changes thereto through November 7, 1973.

By the Committee.

CHARLES W. FLETCHER,
Executive Director.
